### *Emerging and Recurring Ethical Issues in Aging Services*

This engaging, interactive session explores key ethical issues in services for older adults—from autonomy and dignity of risk to paternalism, equity, truthfulness, and the provider-recipient relationship. Participants will also examine emerging questions in long-term care, including the role of artificial intelligence in healthcare workflow, using a practical framework for ethical decision-making.

Includes Lunch

**The Hon. Dr. Michael Gillette** is an ethicist who has presented numerous keynotes and workshops nationally and internationally for over 35 years. He earned his master's and Ph.D. in philosophy at Brown University. He has taught at colleges and universities, published articles in the field of applied ethics, Dr. Gillette contracts with dozens of healthcare organizations and other agencies to provide ethics case consultations and policy work. His energetic and interactive style engages his audiences and helps them think critically about ethical decisions in their work and beyond.
