

ACCURACY MATTERS – NAVIGATING THE NEW MDS LANDSCAPE

3 Day Webinar from 9am - 1pm Pacific Coast Time

2024 Classes: February 7-9 | April 10-12 | July 10-12 | September 18-20 | December 11-13

Overview

The MDS is a critical nursing facility assessment tool that can directly impact resident quality of care, reimbursement, survey outcomes and your publicly posted quality measures. During this three-day virtual workshop, attendees will take a tour of all MDS sections, including review of the steps for assessment of each section, common coding errors and review of systems and processes to better provide for MDS completion accuracy. The final day of the workshop will include the care area assessment (CAA) process and its relationship to care planning, and an overview of the Patient Driven Payment Model (PDPM).

Objectives

- Review the standards for completion of the MDS, including the MDS assessment schedule.
- Understand the specific sections of the MDS critical to facility performance and the provision of person-centered quality care.
- Review the Care Area Assessment Process and how it relates to the development of a care plan.
- Inspect the Patient Driven Payment Model (PDPM) and how facility reimbursement is established.

Who should attend?

Any staff member responsible for completion of any part of the MDS, including nursing, dietary, activities, social services, and medical records. Administrators will find the information provided in this class useful for understanding the impact of the MDS on facility systems and processes and well as impact on quality measures and star ratings.

Registration Fee:
\$235 Member

Earn Up To 12 CEUs

IMPORTANT

If you are registering for someone else, please make sure to email Rob West at rwest@leadingageoregon.org the person(s) name and address. **Class material and the zoom link will be sent 2 days prior to the class. Participants MUST PAY in advance to attend class.**

MDS WEBINAR

ACCURACY MATTERS – NAVIGATING THE NEW MDS LANDSCAPE

What will be provided?

Participants will receive several handouts that will aid in the learning process, including worksheets and Care Area Assessment examples.
