13-month Webinar Series focused on helping providers to implement a step-wise action plan to prepare with confidence.

Session 9: Phase 3: Implementing Successful Staff Training & Competency Programs

May 8, 2019 | 11:00 a.m. (pacific) | 1.25 NAB CEUs

Assist SNF providers in developing an effective implementation of competency-based staff development and training programs. A review of regulatory requirements regarding Training & Staff Competency with an analysis of the associated Interpretive Guidance will be discussed. Tools to assist the facility team in monitoring assessing staff competency will be discussed. Identify the regulatory requirements related staff competency & training programs, identify processes for assessing competency upon hire and on an on-going basis, identify examples of how staff competency are commonly cited in the new LTCSP, identify tools for the leadership team to use for assessing staff competency.
